

## Enrolling in Learning Partnership Trainings

The Learning Partnership Division’s Continuous Learning Unit provides trainings for the Behavioral Health Services Department’s staff and its contractors’ staff—register at [sccLearn](http://www.sccgov.org/sccllearn) Website <https://www.sccgov.org/sccllearn>. Trainings are **free** to anyone. Those who are **not** BHS and/or contractor staff must attend as **walk-ins**. As a walk-in arrive early—at least 15 minutes prior to the training start time—and add your name to the Sign-In sheet. If the training is full, you will be asked to wait until an LP staff can see how many no-shows there are. *There are always no-shows*, so there is a very good chance of getting into the training, but there is *no guarantee that you will get in*.

Go to the Behavioral Health Services Department’s Learning Partnership Division’s Training Web page at [www.sccbhsd.org/training](http://www.sccbhsd.org/training).

**Note:** Please read each training flyer to identify the target audience.

The screenshot shows the website page for Learning Partnership Training. At the top, there is a navigation bar with the Santa Clara County Behavioral Health Services logo and a search bar. Below the navigation bar, there is a large banner image of a diverse group of people with the text "Learning Partnership" overlaid. The main content area includes a heading "Learning Partnership Training" and a paragraph describing the partnership with the Substance Use Treatment Services (SUTS). It also provides the website URL [www.sccbhsd.org/training](http://www.sccbhsd.org/training) and instructions on how to register online. A "Quick Links" section on the right lists several resources: Ask HealthLink: Pre-Live Insight, 5150 Application & Instructions, Learning Partnership Spring 2018 Catalog, The F&C/TAY Behavioral Health Integration Core Skills and COD Training Recommendations, and ICD 10 Resources. At the bottom, there are two small images: "Handouts" and "This Month's Trainings".
