

Do you hear voices?
Experience life as a tv
show?
Feel targeted in something
bigger than yourself?

or extraterrestrials?
See things others don't?
You are not alone!!

Voices, Visions & Other Unusual or Extreme Experiences

1 in 10 people hear voices, but many choose not to talk about them. A Hearing Voices Group is a place where people can talk about their experiences without judgement. It offers mutual support, friendship and the opportunity to explore your experiences in a non-clinical, social setting and learn from others with similar stories.
